# PINK SCENT

pour femme

The fragrance was inspired by the independent spirit of a woman as she pauses to indulge in the simple moments in life...a walk home at dawn, the sun on her skin, the touch of a flower. It is in these moments, when truly treasuring life is her most captivating, exuding a glow of femininity and confidence.

The composition is described as fresh, indulging and unique. It consists of three parts called "modernity", "femininity" and "confidence". Modernity is featured in top notes of cactus flower and its green freshness. Femininity is depicted with the heart of pink freesia, jasmine and delicate rose buds. The base of warm woods and cedar embodies confidence.
