SKIN CARE ROUTINE

# KNOW YOUR SKIN TYPE!

Your lifestyle determines a lot about your skin type. Your diet, medications, environment, stress and your skincare regimen affect the skin's oil production. The amount of oil your skin produces in turn determines your skin type.

## NORMAL SKIN

- Balanced (Neither dry nor oily)
- Blemish free
- Mostly even tone but may have minor discolouration

## OILY SKIN

- Shiny, greasy appearance
- Enlarged pores
- Prone to acne and blackheads
- No dry patches

## COMBINATION SKIN

- Usually Oily T-Zone and dry on the cheeks
- Enlarged pores and prone to blackheads (mostly around the nose)
- Irritable easily

## DRY SKIN

- Appears scaly and flaky
- Prone to red patches, itchiness and fine lines
- Dull appearance
- Feels tight in the morning

## SENSITIVE SKIN

- May burn or sting after using certain products
- Prone to redness and itchiness
- Very reactive and easily irritable

## ACNE PRONE SKIN

- Skin usually ranges from combination to oily
- Highly prone to acne and flare-ups from certain products
- Frequent breakouts
- Highly susceptible to whiteheads and blackheads

## AGEING OR DAMAGED SKIN

- Hyperpigmentation, red patches and fine lines
- Wrinkles around the eyes
- Skin appears loose due to loss of elasticity

# SKIN CARE ROUTINE

Follow the below rituals for a healthy and happy skin

## DAY

- 1 Cleanser
- 2 Toner
- 3 Serum
- 4 Day Cream / Moisturizer
- 5 Sunscreen

## NIGHT

- 1 Makeup Remover
- 2 Cleanser
- 3 Toner
- 4 Night Cream / Moisturizer

## WEEKLY

- Exfoliate entire body
- At home face mask
- Wash sheets and towels

## DAILY LIFESTYLE

- Drink lots of water
- Balanced diet
- Get plenty of sleep (7-8 hours)
- Avoid hot showers

# BASIC 7 STEPS SKIN CARE ROUTINE

1

## CLEANSING

Wash your face twice a day, morning and night, to remove dirt, excess oils, dead skin cells from clogged pores

## EXFOLIATE

Exfoliating your skin will remove excess dead skin cells on the surface of your skin which might clog your pores with bacteria or excess oils, Exfoliate only 2-3 times a week

2

3

## TONER

The skin's pH is a balance between acidic and alkaline levels in you skin. A toner will balance the pH and soften your skin

## SERUM

These will moisturize your skin, reduce inflammation, clean the clogged pores and will alleviate wrinkles

4

5

## FACE MASK

Weekly skin detox by applying face mask deep cleanses clogged pores, Removes dead skin cells, toxins and accumulated debris

## MOISTURIZE

Of course, a well hydrated and nourished skin can help fight aging, wrinkles, fine lines and many other skin issues. It acts as a protective barrier for your skin

6

7

## SPF

Sunscreen to be the most crucial skin care product because Sunscreen can prevent fine lines, wrinkles, blackheads, aging and certain skin cancers
